

Dancing Next To Me

Greyson Chance

22, he doesn't drink but he needs to
Let loose, he doesn't know what he wants but
I do, and I give into the moment
Hmm, hey

Hold tight, says he wants to come over
And I'll try, try to keep my composure
But I might, say something that I mean
Yeah

It's the last thing I remember, the first thing that I saw
I thought you had surrendered, and you don't pick up my calls
But I know, that you felt it, and I felt it
When you were there, you were there, you were dancing next to me

Dancing next to me
Dancing next to me
Dancing next to me
You were there, you were there
You were dancing next to me

Slow down, those aren't the words that I wanted
From your mouth, from your lips that I just kissed
One more shot, but I need two
One last touch, and I want you
You were there, you were there, you were dancing next to me

It's the last thing I remember, the first thing that I saw
I thought you had surrendered, and you don't pick up my calls
But I know, that you felt it, and I felt it
When you were there, you were there, you were dancing next to me

Dancing next to me
Dancing next to me
Dancing next to me
You were there, you were there
You were dancing next to me

I was yours for the weekend, come sunrise it's time
For you to dodge your feelings, call your girl to deny
What we know is the truth, you were who you wanted to be
When you were there, you were there, you were dancing next to me

Yeah, dancing next to me
Yeah, you were dancing next to me
Yeah, you were dancing next to me
You were there, you were there
You were dancing next to me
(Yeah, you were dancing next to me)
