Grieves

Back when I was nothing  
You probably would've walked on by  
You probably would've walked on by  
Now you out here fronting  
All up in my face and I don't know why  
I don't even know why you talk to me girl

Oooo if I was Mystikal  
I would tell you to watch yourself  
Oooo if I was Juvenile  
I would tell you to back that ass up well  
Go and play your tricks on someone else girl  
Baby when you talk to me  
I don't get the sincerest impression that you're giving a damn  
Oh no now  
You way too frickin hot for me  
Which makes me think you believe I'm different than I actually am

If I was DJ Quik  
I'd say that I don't wanna party with you at all  
If I was Ludacris  
I'd probably tell your crazy ass to move  
Girl get out the way I'm no one's fool

If you were the best thing for me  
Tell me why you had to take all this time  
You and the rest ignore me  
A year ago why would I ever wanna try again  
You were the right one honey  
Why you got a look on your face like you've done this before  
Keep tripping  
I ain't picking you up off the floor

Back before they found me  
You would've forgot my name  
You would've forgot my name  
Now you're up here clowning  
All up in my face trying to get your way  
I don't even know what you think you're doing

Oooo if I was Master P  
I done told you to get up  
(Ay sha na na na)  
Oooo if I was P.O.S  
I would simply say fuck your stuff  
Go and play your games with someone else

Baby when you talk to me  
I don't get the feeling in my stomach that you're looking for love  
You ain't gonna find it  
Ain't that really hard to see  
That you believe I'm somebody I would never ever become

If I was Dr. Dre  
I would say that you ain't shit  
You know how the rest goes honey  
If I was House of Pain

I would tell you to jump around with someone else who gives a damn

If you were the best thing for me  
Tell me why you had to take all this time  
You and the rest ignore me  
A year ago why would I ever wanna try again  
You were the right one honey  
Why you got a look on your face like you've done this before  
Keep tripping  
I ain't picking you up off the floor

If you were the best thing for me  
Tell me why you had to take all this time  
You and the rest ignore me  
A year ago why would I ever wanna try again  
You were the right one honey  
Why you got a look on your face like you've done this before  
Keep tripping  
I ain't picking you up off the floor
