

## Levees

### Grieves

You're the weight of the water  
You're the weight of the water

I don't know what to say  
The levees are gonna break  
And you don't know how to wade in the water  
Falling out of the frame  
You pick a part at the grain  
And I don't know how to make it all better

I don't know what to say  
The levees are gonna break  
And you don't know how to wade in the water  
Falling out of the frame  
You pick a part at the grain  
And I don't know how to make it all better
