

Camptown Lady

GrimSkunk

Camptown lady sing this song
Camptown race track five miles long
Gonna run all day, gonna run all day
Spent my money on the bob-tail nag
Somebody bet on the bay

Fill my pipeload, fill my bong
Gonna smoke all night
Gonna smoke all day
Big fat reefers five feet long

Yannik va rouler un joint
Yan y roule un joint
Remercions le bon dieu souverain
Dan y roule un joint

This is not a straight edge song
We are not a straight edge band
Gonna smoke all night
Gonna smoke all day
Big fat reefers five feet long
