Paint The Sky For Me

Ground Zero

Ohhhhh
Baby would you do anything for me
Would you give me everything I requested
I'm just wondering out of curiosity
But would you paint the sky for me

I'm just wondering out of curiosity
 would you paint the sky for me
A brilliant blue or a burgundy red
Would you paint me a sunset in the sky
Would you paint the sky for me
Well would ya baby

Ohhhhh
Love's a very important thing
If you really love me then it can't be broken up
Ohhhhh
And I have a question for you that's been haunting my
head
Would you paint the sky for me
Yellow and blue and red

I'm just wondering out of curiosity
Would you paint the sky for me
A dazzling yellow or
A charcoal grey
Would you paint me a full moon in the sky
Would you paint the sky for me
Well would ya baby

Ohhhhh
Would you paint the sky for me
Would you paint it tangerine
Would you paint it burgundy
Would you paint it baby blue
Would you paint the sky for me
Well would ya baby
Would ya definitely

Ohhhhh baby
Would you paint the sky for me
Would ya, would ya, would ya
baby
Would you paint the sky for me
Baby
Would ya definitely
Would you paint the sky for me
Would ya baby

Drum solo
Guitar solo

Would ya baby

Music dies down
Then starts up again

Would ya baby
Would you paint the sky for me
Would ya definitively
