

# Closer

## Group 1 Crew

Lord, can You forgive me for the way that I have been?  
Bring this heart around to where it all began  
I've been to blind to see the signs at You keeps sending  
So I'm ready  
No more pretending

Take my life  
I need You now  
Draw me closer (2x)  
I'm on my knees  
Crying out  
Draw me closer  
I wanna be closer to You

Cuz I'm too far, too far away God, You are You are the Way  
I'm too far, too far away so I'm hanging on every single word You say

I've traveled down so many roads that only brought me pain  
And with every bridge I burned you could've turned away  
But you never let me go your love is so incredible  
So let it over flow

Take my life  
I need You now  
Draw me closer (2x)  
I'm on my knees  
Crying out  
Draw me closer  
I wanna be closer  
I've got to be closer to You

Oh Lord, I wanna be closer  
Take me over, take me over

Take my life  
I need You now  
Draw me closer (2x)  
I'm on my knees  
I'm Crying out  
Draw me closer  
I wanna be closer to You

Oh Lord, I wanna be closer  
Take me over, take me over

Draw me closer  
I wanna be closer to You

Never gonna live without You  
I can't see my life without You
