

Above Me

Gruntruck

Oh, aaw, oh, aaw, oh, aaw
Oh, aaw, oh, aaw, oh
Gonna sing a little play
Where all the leads are dying, yeah

I'll be calling you or me
I'll be you and you be me, yeah

Cracking up and now exposed
You say, I am not leaving you
Got me on a little chain
In this box you'll keep me, yeah

It's alright, I'm doing fine
As long as you're above me
It's ok, I'm doing fine
As long as I'm below you, yeah

It's alright, I'm doing fine
As long as you're above me
It's ok, I'm doing fine
As long as I'm below you

Now I said I want to stay
As long as you will treat me ok
Keep me under dirty bus
Fill me with you, no I'm not going

It's alright, I'm doing fine
As long as you're above me
It's ok, I'm doing fine
As long as I'm below you, yeah

It's alright, I'm doing fine
As long as you're above me
It's ok, I'm doing fine
As long as I'm below you

It's alright, I'm doing fine
As long as you're above me
It's ok, I'm doing fine
As long as I'm below you
