

Need Your Love

Gryffin

Under my skin
How deep I don't even know
Tried everything
But I don't anymore
Realizin'
I shouldn't have let you go
Shouldnt have let you go

Hardest part is knowing that I had it
Something almost perfect
We were almost perfect
Maybe it's too late for me to save this
But I gotta face this
No matter how I hate it

I need your love
To give me hope when I can't breathe
I need your love
To lift me up when I am weak
I need your love
When I hate every part of me
I need your love to set me free
I need your love
I need your love

I need your love
I need your love
When I hate every part of me
I need your love to set me free
I need your love
I need your love

I need your love
I need your love
When I hate every part of me
I need your love to set me free
I need your love

We got so close
But that dont mean anything
When it all comes around
I just want to fall again
Cuz im in a place
Where I dont feel anything
I dont feel anything

Hardest part is knowing that I had it
Something almost perfect
We were almost perfect
Maybe it's too late for me to save this
But I gotta face this
No matter how I hate it

I need your love
To give me hope when I can't breathe
I need your love
To lift me up when I am weak

I need your love
When I hate every part of me
I need your love to set me free
I need your love
I need your love

I need your love
I need your love tonight
I need your love
Just your love

I need your love tonight
Just need your love
I need your love
I need your love
Your love

I need your love
I need your love
I need your love
When I hate every part of me
I need your love to set me free
I need your love
