

Miracle

Guardian

I remember it happened
One starry night
I looked up and I prayed I'd change
Inside
For a moment I think
In fact I know I cried
Cause I knew right away
My past had finally died

You're the miracle
You'll always be
The miracle
And you mean so much to me
You mean so much

After so many years
Of meaningless life
I'm so amazed
By my new found sight
Got a friend that's so wise
And loving too
Wonderful counselor
I love you!!

You're the miracle
You'll always be
The miracle
And you mean so much to me

So look into space
Open your heart and feel
As deep as is wide
The love of Christ is real

You're the miracle
You'll always be
The miracle
And you mean so much to me
You're the miracle
You'll always be
The miracle
He's life eternally
You're the miracle
You'll always be
The miracle
And you mean so much to me
You're the miracle
You'll always be
The miracle
