

Always Love You

Gudda Gudda

Once upon a time there lived the harajuku barbie
Use ta watch the game in madison square garden
Collesium block on the weekend italian icces from the purteo ricans
She raps queen like a crown or a real poofy gown or the little white
Lady out in london weeds bridge far rock southside jamcia block
Flat bush brooklyn all them jamcia spots
This is my city n I be reppin my city
It's where the giants a tackle you
Call a capital avalon
If you come to my city u might see what I mean
It's the city that never sleeps but it's the city of dreams

Wat up uptown downtown 6th ward
7th ward hardheads west bank 5th ward
3rd ward 10th ward reppin every damn street
Shout out the mighty nine and east 2 mczan street
Rest in peace son he had tyra lan on lockdown
It's a shame dey took him out the game
I see ya c c nacho fe fe snag gang chuck d
Talley t street that's dem garetti boys all about
The fetti boy only think broke wrong here is the levi boy
U know my city nigga yea it's real hood
Talk to turk other day he doin real good
Hold ya head c hold ya head mack
Rest in peace solider damn we need u back
Shout out b.g. the whole chopper city
Cash money young money yea we got the city

Lets welcome the katrina victims
I wasn't there when it happen but I seen the pictures
So ne thing my niggas need they can call short
My arms always opened like walmart
I moved to the A n promised ima be back
I'm still #1 in houston like t-mac
Check my sleeve test I know u see that
H with star syrup pourin over green back
N I aint talkin miss butterworks
So pass me a styrofome double cup at first
N ima pour a four up in that n sip it till
U see me movin slow like I'm fat
Just the home of the the candy painted doors on the lac
N voices sounding deep as baratone on the track
(Aw really)
Yea we call that sprude n if u movin too fast we
Might call that rude
Houston
