

Grave Digga

Gudda Gudda

Shorty said she lookin for a main nigga
I told that bitch you fuckin with a made nigga
I scooped her up and then I did my thing with er
The way I kill the pussy - I'm a grave digga

I'm a grave digga, I'm a grave digga
The way I kill the pussy - I'm a grave digga
I'm a grave digga, I'm a grave digga
The way I kill the pussy - I'm a grave digga

Grave digga, grave digga
Make yo girl my slave nigga
Knock the dust off the pussy, yes I'm her made nigga
Ridin in my Batmobile, I take her back to the bat cave
Next day I met a bad chick and she rollin weed up back stage
Got a wood bat in my pants, I knock that pussy out like a battin K
Fat ass got me rocked up, dick hard like crack caine
Yup I blew it, every day I do it
So just bust that pussy open, I ain't tryna hear excuses
Getting to the money, Soulja Slim say he'll pay for it
I'm from New Orleans so you know I do the same for it
Young Money, made nigga
Put that pussy in the casket, I'm a grave digga

Shorty said she lookin for a main nigga
I told that bitch you fuckin with a made nigga

Shorty this is the way I dig it up in yo stomach, broke yo spine out
Til the dick reach all the way up to yo brain, what a mind for?
Don't get me wild up, just take the dick and roll
Fore I pull my shovel out and go dig me another hole
I'm a grave digga, I ain't playin killa
I dig yo bitches out too, wutchu sayin nigga?
Meaning yo bitch and the ones that came with er
That's when we pass em off and I let my main hit er
Now I'm digging up in Cassandra while I smoke a little Keyshia
Take a itty bitty sip of Rose, then I get back to digging in it deeper
Then I sit back and watch, so they get up on the pole again
And when she done this nigga here, gon dig up in the hole again

Shorty said she lookin for a main nigga
