

## Dirty Water

Guided by Voices

Mess me up, scratch liquid  
Field tested, dirty water  
Fell asleep and found it boat  
Cross my heart not to return  
Watch it burn  
Dirty water, all of it

Flag torn, half rations  
Steel rusted dirty water  
Found a tree and hitched me up  
Brought me down to all I had done  
Wouldn't float  
Dirty water, some of it
