

## Go Away

Guillemots

When a sunny day is not a sunny day  
All you've really left to do is pray  
When a rainy day is not a rainy day  
What more, what more, what more could I ever say?  
Except I

When a walk in the park only renders darkness  
When a walk in the park only renders darkness  
When a walk in the park only renders darkness  
'Cause there are no ducks to feed  
Feed, feed, feed, feed

When you cannot love with both your hands

Well chop them off, chop them off  
And bury them in the sand
