## Made Up Love Song - 43

## **Guillemots**

I love you through sparks and shining dragons, I do Now there's poetry in an empty Coke can I love you through sparks and shining dragons, I do Now there's majesty in a burnt out caravan You got me off the paper round Just sprang out of the air The best things come from nowhere I love you, I don't think you care I love you through sparks and shining dragons, I do And the symmetry in your northern grin I love you through sparks and shining dragons, I do I can see myself in the refill litter bin You got me off the sofa Just sprang out of the air The best things come from nowhere I can't believe you care, care
