

Already Here

Gungor

Always looking, never see
It's always them, it's never me
Keeping me from home
Oh

Always waiting, never here
Happiness postponed for there
When I finally find a home
Oh

Someday
When I'm old enough
Someday
When the time is right
Someday
When I'm strong enough
Someday
When I feel alright
Someday
When the schedule clears
Someday
When the worlds align
Someday
When the money's there
Someday
When I see a sign
Someday
When I find my feet
Someday
When I'm on my own
Someday
When it's only me
Someday
When I'm not alone
Someday
When I find a girl
Someday
When I get my stuff
Someday
When I rule the world
Someday
Will it be enough

Always right in front of me
But I never quite arrive
Will I ever find a home
Oh

Someday
When I'm old enough
Someday
When the time is right
Someday
When I'm strong enough
Someday
When I feel alright
Someday

When the schedule clears
Someday
When the worlds align
Someday
When the money's there
Someday
When I see a sign
Someday
When I find my feet
Someday
When I'm on my own
Someday
When it's only me
Someday
When I'm not alone
Someday
When I find a girl
Someday
When I get my stuff
Someday
When I rule the world
Someday
Will it be enough

What if now is the only time that we have somehow?
Tomorrow is a phantom row
Between real and the dream
What if now is the only peace that is ever found
Only love that can find a ground
Truest way to see

Someday
Someday
Someday
Someday

Someday
When I'm old enough
Someday
When I'm strong enough
Someday
When the schedule clears
Someday
When the money's there
Someday
When I'm old enough
When the time is right
Someday
When I'm strong enough
When I feel alright
Someday
When the schedule clears
When the worlds align
Someday
When the money's there
Someday
It's already here
Someday
It's already here...
