

# When We Were Hungry

Gungor

When we were hungry  
He did not feed us  
When we were thirsty  
He gave us nothing to drink

When we were strangers [?]  
Invite us in, invite us in, invite us in

When we were naked  
He did not clothe us  
When we were sick  
He did not hold us

Where we forgotten  
He did not remember us  
Remember us  
Remember us
