

# Cheap Thrills

Gunplay

Yeah everybody hit me up, want me to walk to the club tonight  
She told me bring some pills  
I said cool  
I'm finna slide, finna get dressed right now  
Pick up that line, hoe

She want that Oxycontin flow, my Percocet pills  
A touch of Cocaine, tell me how that feels  
She want that Oxycontin flow, my Percocet pill  
That Adderall is next, she'll love my cheap thrills  
She want that Oxycontin flow, Percocet pill  
A line of Cocaine, tell me how you feel  
She want that Oxycontin flow, that Percocet pill  
That Adderall is next, she'll love my cheap thrills

I drop 2 bars in my soda  
I'm so composed when I swerve  
She sprinkle blow in the doja  
Told me it's between me and her  
I got a dime in the basic, basically treat 'em like dirt  
I'm gettin' chewed tryna steer  
Hope no Police in my mirror  
Hoe, I mean that sincere  
She fuck with dope boys and swipers  
She blow on both of my dices  
I fell in love down her throat, then got, Ghost in the crisis  
Already know how that go  
But on a whole 'nother note  
That money (?)

She want that Oxycontin flow, my Percocet pills  
A line of Cocaine, tell me how you feel  
She want that Oxycontin flow, my Percocet pill  
That Adderall's next, she'll love my cheap thrills

Double R's on the wheel, lady on the grill  
Gave me chills, crack the seal  
Pour the line, crazy, maybe  
Brought a line, I brought a pill  
Right now I feel high like I just said goodbye and turned the world  
Still greezy, pissin' grease, a beast  
I'll burn up all this fur  
Watch lil gloss and disco lights, between the line of disco white  
Blowin' on that Citgo pack, prayin' that this lick go right  
I'm from the mud  
Only mud, it ain't no Sprite  
Double tap that thang, front and back like that hoe like

She want that Oxycontin flow, my Percocet pills  
A touch of Cocaine, tell me how that feel  
She want that Oxycontin flow, my Percocet pill  
That Adderall's next, she'll love my cheap thrills  
She want that Oxycontin flow, Percocet pill  
A line of Cocaine, tell me how you feel  
She want that Oxycontin flow, the Percocet pill  
The Adderall's next, she'll love my cheap thrills  
She want that Oxycontin flow, Percocet pill

A line of Cocaine, tell me how you feel  
She want that Oxycontin flow, the Percocet pill  
The Adderall's next, she'll love my cheap thrills  
She want that Oxycontin flow
