

# November Rain

Guns N' Roses

**E Abm/Eb C#m H E C#m H H**  
**E C#m H**  
When I look into your eyes I can see a love restrained  
**E C#m H**  
But darlin' when I hold you don't you know I feel the same  
**C#m F# H**  
'Cause nothin' lasts forever and we both know hearts can change  
**C#m F# H**  
And it's hard to hold a candle in the cold November rain  
**E C#m**  
We've been through this such a long long time  
**H**  
Just tryin' to kill the pain  
**E**  
But lovers always come and lovers always go  
**C#m H**  
And no one's really sure who's lettin' go today, walking away  
**E**  
If we could take the time to lay it on the line  
**C#m H**  
I could rest my head just knowin' that you were mine, all mine  
**C#m F#m H**  
So if you want to love me then darlin' don't refrain  
**C#m F#m H**  
Or I'll just end up walkin' in the cold November rain  
  
**E F#**  
Do you need some time...on your own  
**E F#**  
Do you need some time...all alone  
**E F#**  
Everybody needs some time... on their own  
**E F#**  
Don't you know you need some time...all alone  
  
**Esm E H**  
I know it's hard to keep an open heart  
**Esm E C#m**  
When even friends seem out to harm you  
**Esm E H**  
But if you could heal a broken heart  
**Esm E F#**  
Wouldn't time be out to charm you  
**E F#**  
Sometimes I need some time...on my own  
**E F#**  
Sometimes I need some time...all alone  
**E F#**  
Everybody needs some time... on their own  
**E F#**  
Don't you know you need some time...all alone  
  
And when your fears subside and shadows still remain  
I know that you can love me when there's no one left to blame  
So never mind the darkness we still can find a way  
'Cause nothin' lasts forever even cold November rain
