

Doin' It by Myself

Guster

Everyone is sleeping
Everything is perfect
This is our chance
This is our time
Come, come, real quick
Let's feel alive, feel alive

We're no longer babies
Pure, pristine, unbroken
So we learned how to walk
But all we want is to fly
The game is fixed
But that's being alive, being alive, being alive
That's being alive

If you don't come
I'll do it by myself
If you don't care
I'll do it by myself
By myself

These gentlemen and ladies
Charlatans and perverts
They'll never confess
Confess to their crimes
Let's flip the switch
We can be alive, be alive, feel alive
Let's feel alive

If you don't come
I'll do it by myself
If you don't care
I'll do it by myself
Yeah
I want you to know
I'll do it by myself
So goodbye girl
Gonna do it myself, do it by myself
By myself

La, la, la
