

# Happy Loving Couples

Guttermouth

I've just been to see my best friend  
He's got another girl  
Says she's just about the best thing  
In the whole damn world

And he says can't you see what the little lady's done for me  
Says it like he thinks I'm blind  
But the things that you see ain't necessarily the things you can find

Happy loving couples make it look so easy  
Happy loving couples always talk so kind  
Until the time that I can do my dancing with a partner  
Those happy couples ain't no friends of mine

People say I'm too damn fussy  
When it comes to girls  
Happy couples say I must live  
In a lonely world

want to be, want to really be what my friends pretend to be  
Be it in my own good time  
Being kind to myself till I become one of two of a kind

Happy loving couples make it look so easy  
Happy loving couples always talk so kind  
Until the time that I can do my dancing with a partner  
Those happy couples ain't no friends of mine

You ain't no friends of mine  
You know what I mean  
Happy loving couples  
In matching lamb turtle-neck sweaters  
Reading Ideal Homes magazine  
Yeah!

want to be, want to really be what my friends pretend to be  
Be it in my own good time  
Being kind to myself till I become one of two of a kind

Happy loving couples make it look so easy  
Happy loving couples always talk so kind  
Until the time that I can do my dancing with a partner  
Those happy couples ain't no friends of mine

You ain't no friends of mine  
You ain't no friends of mine  
You ain't no friends of mine  
You ain't no friends of mine  
You ain't no friends of mine

Right, that's enough
