

## The Point

Guttermouth

I get it, I get it, get it, get it, what's the point?  
I promise that I'll text you "I love you" and "goodnight"  
But everything I say turns my blue eyes into brown  
Paltering and charm and now I'm really breaking ground

Yeah, I get it, I get it, I get it, what's the point?  
Oh what's the point? The point  
I get it, get it, get it, what's the point?  
I get it, get it, get it, what's the point?  
I get it, I get it, get it, get it

I get it, I get it, get it, get it, what's the point?  
Just a prince of convince but only for the night  
I don't have a boyfriend at least he's out of town  
I don't think I heard that so I guess I'll stick around

Yeah, I get it, I get it, I get it, what's the point?  
Oh what's the point? The point  
I get it, get it, get it, what's the point?  
I get it, get it, get it, what's the point?  
I get it, I get it, get it, get it

"Mark, what the fuck. I've been calling you for a fucking week.  
Where the fuck are you? What are you, out with another bitch?  
Do you just expect me to like fuck myself or something? You know what, I hope your plane fucking crashes, Mark. Fuck you."

I get it, I get it  
I get it, I get it  
I get it, I get it  
Yeah I get it

Yeah, I get it, I get it, I get it, what's the point?  
Oh what's the point? The point  
I get it, get it, get it, what's the point?  
I get it, get it, get it, what's the point?  
I get it, I get it, get it, get it
