Hey God This Song's For You. I Hope You Like It.

Gwen Stacy

Why do we fall? So we can learn to pick ourselves up again It starts with a prayer It ends with a fight

Come and get it I'm right here Come and get it

Without a jump, there is no fall Without a jump, there is no fall Without a jump, no one to catch you

If the world should fall around me I would still be standing, I would still be free No one to hold me No one to keep me here This is the last time Have no fear

Oh yeah Get ready

Why do we fall?

My time is here for you my dear

This is a matter of life and death, the dreamer will choose lif e This is what it means to live and die by your dreams

Take control of your life Find your peace with God and shoot from the hip

Who will fight? Who will live? Who will die?
