4 in the Morning

Gwen Stefani

Waking up to find another day The moon got lost again last night But now the sun has finally had its say I guess I feel alright

But it hurts when I think When I let it sink in It's all over me I'm lying here in the dark I'm watching you sleep, it hurts a lot

And all I know is You've got to give me everything Nothing less cause You know I give you all of me

[CHORUS]

I give you everything that I am I'm handin' over everything that I've got Cause I wanna have a really true love Don't ever wanna have to go and give you up Stay up till Four In The Morning and the tears are pouring And I want to make it worth the fight What have we been doing for all this time? Baby if we're gonna do it, come on do it right

All I wanted was to know I'm safe Don't want to lose the love I've found Remember when you said that you would change Don't let me down It's not fair how you are I can't be complete, can you give me more?

And all I know is You got to give me everything And nothing less cause You know I give you all of me

[CHORUS]

I give you everything that I am I'm handin' over everything that I've got Cause I wanna have a really true love Don't ever wanna have to go and give you up Stay up till Four In The Morning and the tears are pouring And I want to make it worth the fight What have we been doing for all this time? Baby if we're gonna do it, come on do it right

Oh please, you know what I need Save all your love up for me We can't escape the love Give me everything that you have

And all I know is You got to give me everything And nothing less cause You know I give you all of me [CHORUS] I give you everything that I am I'm handin' over everything that I've got Cause I wanna have a really true love Don't ever wanna have to go and give you up Stay up till Four In The Morning and the tears are pouring And I want to make it worth the fight What have we been doing for all this time? Baby if we're gonna do it, come on do it right

(Give you everything) (Give you all of me)
