

# Cool

Gwen Stefani

**D** **A**  
It's hard to remember how it felt before  
Now I found the love of my life...

**D** **A**  
Passes things get more comfortable  
Everything is going right

**G** **A**  
And after all the obstacles

**D** **Dmaj7**  
It's good to see you now with someone else

**G** **A** **D** **Dmaj7**  
And it's such a miracle that you and me are still good friends

**G** **A**  
After all that we've been through

**D**  
I know we're cool

We used to think it was impossible  
Now you call me by my new last name  
Memories seem like so long ago  
Time always kills the pain

Remember Harbor Boulevard  
The dreaming days where the mess was made  
Look how all the kids have grown  
We have changed but we're still the same  
After all that we've been through  
I know we're cool

And I'll be happy for you  
If you can be happy for me  
Circles and triangles, and now we're hangin' out with your new girlfriend  
So far from where we've been  
I know we're cool
