If I could escape  
I would, but first of all let me say  
I must apologize for acting, stinking, treating you this way

**Ami**

Cause I've been acting like sour milk fell on the floor  
It's your fault you didn't shut the refridgerator  
Maybe that's the reason I've been acting so cold

**D**

If I could escape  
And re-create a place as my own world  
And I could be your favorite girl  
Forever, perfectly together  
Tell me boy, now wouldn't that be sweet?

**D A**

If I could be sweet  
I know I've been a real bad girl  
I didn't mean for you to get hurt  
Forever, we can make it better  
Tell me boy, Now wouldn't that be sweet?  
Sweet escape

(I wanna get away, to our sweet escape)

You let me down  
I'm at my lowest boiling point  
Come help me out  
I need to get me out of this joint  
Come on, let's bounce  
Counting on you to turn me around  
Instead of clowning around let's look for some common ground

So baby, times getting a little crazy  
I've been getting a little lazy  
Waiting for you to come save me  
I can see that you're angry  
By the way the you treat me  
Hopefully you don't leave me  
Want to take you with me

If I could escape  
And re-create a place as my own world  
And I could be your favorite girl  
Forever, perfectly together  
Tell me boy, now wouldn't that be sweet?

If I could be sweet

I know I've been a real bad girl  
I didn't mean for you to get hurt  
Forever, we can make it better  
Tell me boy, now wouldn't that be sweet?
