Now it's only me Tick tock (La la la la la) Like a cat in heat stuck in a moving car A scary conversations, Shut my eyes, can't find the brake What if they say that you're a climber? Naturally i'm worried if i do it alone Who really cares cuz it's your life You never know, it could be great Take a chance cuz you might grow Oh... oh ohhh What you waiting for!? What you waiting for !? Tick tock Tick tock Tick tock Tick tock Take a chance you stupid Hoe Like an echo pedal, you're repeating yourself You know it all by heart Why are you standing in one place? Born to blossom, bloom to perish Your moment will run out Cuz of your sex chromosome I know it's so messed up how our society all thinks (for sure) Life is short, you're capable (uh huh) Oh... oh ohhh
