

# Didn't I

Gyptian

Didn't I catch your eye the first time  
When yuh see di I ?  
I see you've watched me from the side of your eyes  
And Girl I know you want to say something now  
But to afraid to get turn down  
I know you want to say something now  
But to afraid to get turn down

God know  
Me wouldn't mind  
Say she gimme likkle bit her time  
Show me what's inside  
Wouldn't mind yuh tek the chance tonight  
Nah Badda think nuh style  
Me naturally admiring your vibes  
But me know something special tonight  
Me see me and you in future time so

Didn't I catch your eye the first time  
When yuh see di I ?  
Know yuh a watch me from night from di corner of your eyes  
I know you want to say something now  
But to afraid to get turn down  
You know you want to say something now  
But to afraid to get turn down

Round me you comfortable  
Girl you gone on another level  
Round me you can't short a nutten  
Nutten bout nuh struggle  
Girl me say you nah fi move a muscle  
Unless you want fi do something  
This is the beginning  
Condos you will be living in  
Benz & Bim you driving in  
Expensive shopping in foreign  
Yea we going  
Girl I got yuh like I got the Benjamin

Didn't I catch your eye the first time  
When yuh see di I ?  
Know yuh a watch me from night from di corner of your eyes  
I know you want to say something now  
But to afraid to get turn down  
Mi see you want to say something now  
But to afraid to get turn down

This a nuh really my style  
Me see a nuh yours neither  
But yuh really worth the while  
Fi mi walk and say something like  
Yea gal yuh different  
Cologne wear yuh wear push off a different scent  
Dat mean say you body magnificent  
And you know say you a my preference ya

Didn't I catch your eye the first time

When yuh see di I ?  
Know yuh a watch me from night from di corner of your eyes  
I know you want to say something now  
But to afraid to get turn down  
Mi see you want to say something now  
But to afraid to get turn down

Didn't I catch your eye the first time  
When yuh see di I ?  
See you've watch me from the side of your eyes and girl  
I know you want to say something now
