

Dry Your Tears

Gyptian

Girl I see you crying
So let me wipe those tears from your eyes
Wipe those tears from your eyes
I don't wanna see you cry

Girl I see you crying
So let me wipe those tears from your eyes
Let me wipe those tears from your eyes
Me and you alone
(I don't wanna see you cry)

Night abduction
Might sound like a seduction
Girl wanna be your main squeeze
And not an option
Want you to carry me
Like we driving around junction
Without you girl you know I can't function

Come and let me treat you right
Let me be your dark knight
I'll be by your side
Day and night

Girl I see you crying
So let me wipe those tears from your eyes
Wipe those tears from your eyes
I don't wanna see you cry

Girl I see you crying
So let me wipe those tears from your eyes
Let me wipe those tears from your eyes
Me and you alone
(I don't wanna see you cry)

This is no sex story
I can see you in your misery
I can see you want comfort
I can be the one to come for you
In my arms
Is where you belong
My baby
My baby
From now on you'll be stronger

Girl I see you crying
So let me wipe those tears from your eyes
Wipe those tears from your eyes (no no)
I don't wanna see you cry
I don't wanna see you sad
Wipe those tears from your eyes
Let me wipe those tears from your eyes
Me and you alone
(I don't wanna see you crying)

Can't change the selection
I'm the right man

Girl I'm not saying I'm the perfect one
But I know my endless conditions for your love
For your love
For your love
For your love
Girl I see you
