

# Love Overdue

Gyptian

Listen darlin'!

Now, who's gonna hold and squeeze me tight?  
Now that she's gone out of my life  
Who's gonna make me feel the way she used to do, yeah?  
Now that my love is overdue  
Now that my love is overdue!

I'm all alone in the wilderness  
Searching to find saint peace and rest  
Although she wasn't the best girl, but she brought happiness in  
to my world  
And now I'm a prisoner of loneliness  
Said, I'm a prisoner of loneliness!

That's what I am!

Now, whose voice is gonna say, "goodnight"?  
Now that she's gone out of my sight  
Who's gonna tell me lies and let me think they're true, yeah?  
Now that my love is overdue  
Now that my love is overdue!  
Can you see right now?  
And I don't know just what to do, yeah  
Won't you please stop from making blue, girl  
'Cause I'll give my love to you!  
La da da da, da da da da...
