## Gyptian

Oh yeah, nananana yea, oh Mama, Mama dont cry, Mama dont cry dont cryyy...

Mama don't cry no more, Oh better days are there for sure  
Wipe those tears from your eyes  
I will bear the hunger, we poor

Mama, there's so many times we go through days without food to eat  
Mama, there's so many nights we sleep in a bundle like a flock of sheep  
Mama, I know what it feels like to have a holey shoes on my feet  
So mama don't cry, cus I know  
I'm gonna make your bitter turn sweet.

Mama don't cry no more  
Ooh... better days are there for sure  
Wipe those tears from your eyes  
Oh I will bear the hunger, we poor  
(Mama don't cry)

I admire the time you stood by me through all of the bad times  
Mama, scold me when I done wrong and said  
'Gyptian, don't want you to travel in the wrong direction.'  
I wish every mother in the world was just like you  
Your loving is so kind, Oh yes my Mama  
Your loving is soooo true

So Mama don't cry no more,  
Oh better days are there for sure  
Wipe those tears from your eyes  
I will bear the hunger, we poor

There's so many times we go through days without food to eat  
Mama, there's so many nights we sleep in a bundle like a flock of sheep  
Mama, I know what it feels like to have a holey shoes on her feet  
Mama don't cry, cos I know, I know  
I'm gonna make your bitter sweet  
Mama don't cry no more  
Ooh... better days, better days are there for sure  
Wipe those tears from your eyes, oooh  
Mama don't cry no more (Cryyy no more)  
Wipe those tears from your eyes  
(Wipe those tears from you eyes)

Mama you are, the one, that make me to become the man I am today  
Mama you are the one, you showed me sometimes  
The sky is blue and sometimes grey  
Mama you are, I cant find words to say  
But I know that you are the one to give me true loving everyday

So Mama don't cry no more,  
Oh better days are there for sure  
Wipe those tears from your eyes  
I will bear the hunger, though we poor  
Mama don't cry no more,  
Oh better days are there for sure  
Wipe those tears from your eyes  
I will bear the hunger, we poor

So many times we go through days without food... to eat...
