Gyptian

Ooooh, ouuuuu, yeah

You're super sexy, body so hot and appealing
Got the natty right now in him feelings
I've got you on the hook I've got to reel you in
Show you some things that I've been thinking, yeah
From the first time mi see you mi started thinking 'bout the
Best, best, best, in me
Have me thinking about love and happiness

Mami amor, can I get a little of your time
No more skipping, no more waiting in line
Mami amor, can I get a little of your time
That's all I need and I will be fine
Mami amor

I'll never stop cause I know you want me to get it, get it, get it, oh
I've never felt this way before for nobody body body
I know, in your arms, I don't feel like I've ever felt this one

Mami amor, can I get a little of your time
I don't wanna be waiting no more in line
Mami amor, can I get a little of your time
I don't wanna be waiting no more in line
