

# Nah Let Go

Gyptian

Nahhhh let goo noo  
Nah let goo noo  
Oooooooooohhhh yehhhh lemme sing  
Said I want I want you  
Said I want to I want to  
Ill give you some time  
Even a little wine

She say she nah let go  
No matter how far meh go  
She say she rather be there so  
And she nah mek no joke  
She say nah let go  
No matter how far meh go  
She say she rather be there so  
And she nah run no joke

Tell me how you bend and move like an acrobat  
When how tell me how you do that  
Babe I never seen you move like a gymnastic  
And your moves are fine and fantastic  
Random girl your body is incredible  
Spin on my hole like a turn table  
You turn suh and give me the drop and wine  
And you open up my eyes wide one more time

nah let go  
No matter how far meh go  
She say she rather be there so  
And she nah mek no joke  
She say nah let go  
No matter how far meh go  
She say she rather be there so  
And she nah run no joke

Like a hundred degrees clock  
Wine like that  
Girl baby wine and stop  
Wonder where get style like that  
Me you tell em meh nah wan see you stop girl  
Get shape like beer bottle  
Hold a bottle shape leh yuh beer stable  
Nough gyal out around like you  
But them wudda had instead me a follow you

nah let go  
No matter how far meh go  
She say she rather be there so  
And she nah mek no joke  
She say nah let go  
No matter how far meh go  
She say she rather be there so  
And she nah run no joke

I've never ever seen another girl wine this way  
And dont you even bother to get her number  
Because the sexy girl is with me

nah let go  
No matter how far meh go  
She say she rather be there so  
And she nah mek no joke  
She say nah let go  
No matter how far meh go  
She say she rather be there so  
And she nah run no joke  
nah let go

No matter how far meh go  
She say she rather be there so  
And she nah mek no joke  
She say nah let go  
No matter how far meh go  
She say she rather be there so  
And she nah run no joke
