

Overtime

Gyptian

Say she waan the work
Say she waan the work
Cuz she tired of the 9 to 5
So mi chip in the over drive
And mi give her the overtime
My love keep her alive
About me she a fantasize
Cause she love mi style and she love of my smile
(...) treat her so nice

Girl let me see your application
Make me employee you
You know you fit the position
From the first time i saw you
Let me see your application
From the first time i saw you

She wan become by my side
but she tell me she don't have no shovel
but that could a cause a little trouble
because my shovel, you have to pay a double
