

# Things Change

Gyptian

Things Change Things Change Things Change  
So Drastically  
Things Change Things Change Things Changing  
So Drastically  
Ohh ohh ohh

Oh Its Like An Epiphany  
Everybody Playing The Monopoly  
All You Subliminal Hypocrites  
To Me Your Like Pessimist  
See Into The Mirror See A Better Me  
Always Dealing With Equality  
And Solidarity  
Where Ever I Go Its Simplicity  
So Why You Wanna Come Now Wid Yuh Bad Energy  
And Yuh Negativity  
Why You Can't See Reality  
For What It Is?  
I See Things

Things Change Things Change Things Change  
So Drastically  
Things Change Things Change Things Changing  
So Drastically  
Ohh ohh ohh

Am I My Brothers Keeper?  
Actually Im Not  
Cause I Don't Really Know The Mind That My Brother Got  
I Wanna Fix The World, But First Set The Block  
Im From Jamaica  
Where The Crime Is Really Hot

You Gotta Know Where To Go  
Know Where To Stop  
Im On A Different Level  
Im Aiming For The Top  
And Yuh Negativity  
Why You Can't See Reality  
For What It Is?  
I See Things

Chorus:  
Things Change Things Change Things Change  
So Drastically  
Things Change Things Change Things Changing  
So Drastically  
Ohh ohh ohh
