

## Safe Forever

Gyroscope

Quit analysing everything I say,  
Stop policing me,  
Ooo Ooo, Ooo Ooo  
You have nothing on me,  
Blank page, funny that,  
Ooo Ooo, Ooo Ooo  
Do you remember every word I say,  
Essentially, yes,  
Ooo Ooo, Ooo Ooo  
Now stare right back at me,  
Blank faced, figured that,  
Ooo Ooo, Ooo Ooo  
Did it for you girl, Did it for you,  
Did it for you, Did it for,  
(X2)  
Ooo Ooo, Ooo Ooo  
Ooo Ooo, Ooo Ooo  
Did it for you girl, Did it for you,  
Did it for you, Did it for,  
(X2)  
Safe Forever, Forever  
Safe Forever, Forever  
Safe Forever, Forever  
Safe Forever, Forever  
(Safe Forever, Forever  
Safe Forever, Forever  
Safe Forever, Forever  
Safe Forever, Forever  
Forever!)  
Did it for you girl, Did it for you,  
Did it for you, Did it for,  
(X2)
