Pour Me a Glass

H-Blockx

Once upon a time I was sitting by, a bottle of wine and all I knew was I, I was gonna sip it down in a little while, I drink it glass for glass but there's no reason why, The bottle of wine has a taste so fine, it makes feel good, it makes me blow my mind, I cannot stop pour me another glass, I would if I could, but now I need it fast, I lost my friends, nobody holds my hand, like a lonley stranger in a long lost land, I felt the feelings no one ever has, Bartender, pour me a glass! Chorus: Pour me a glass, Pour me a glass of a bottle wine... I'm drinking, I'm not drinking, I can't tell you why, how it started, how it ends but I do deny, that I wanna ruin my life but now I wanna dive, into the silent ocean where there is no cry, For hope, for me that I cannot see, but if I faced the facts and go inside of me, I would see myself, my own reality, I would see myself, my own insanity, Scared to move another step ahead, I would lose the strength so I will fast forget, what I do to myself, why don't you take a guess, bartender, pour me a glass! Chorus...
