

# Eye of the Storm

H.E.A.T

All that we want to say  
The pain we hold inside  
Darknes the distant sky  
Close under horizon

Are you holding your breath  
For the strike that comes next  
Getting ready to fight again

In the eye of the storm  
The eye of the storm  
Where our love is calm  
We are in the eye of the storm  
the eye of the storm  
Till we're swept apart  
We are in the eye of the storm

Aren't you exhausted too  
Or Just wishing it's over  
Raging one-sided truth  
Resting our blades

Are you holding your breath  
For the strike that comes next  
Getting ready to fight again

In the eye of the storm  
The eye of the storm  
Where our love is calm  
We are in the eye of the storm  
the eye of the storm  
Till we're swept apart  
We are in the eye of the storm

Are you holding your breath  
For the strike that comes next  
Getting ready To fight again

In the eye of the storm  
The eye of the storm  
Where our love is calm  
We are in the eye of the storm  
In the eye of the storm  
The eye of the storm  
Till we're swept apart  
We are in the eye of the storm
