

It's cool
It's really never been that deep
Wasn't thinking 'bout you
'Cause you didn't give a fuck about me
Thought I was up in my room
Crying myself to sleep
I was with a better you
While you were busy playing me

I was playing you too-too-too
I was playing you too-too-too

Thought I wouldn't find out
Thought I didn't know how to play the game
Coulda screamed at you for hours
Instead I was screaming somebody else's name
There are no rules
Now I can do whatever I want
I can never lose
So it's funny how you thought you won

But I was playing too-too-too
I was playing you too-too-too
I was playing you too-too-too
I was playing you too-too-too
Too-too-too
I was playing you too-too-too
I was playing you too-too-too
I was playing you too-too-too
Too-too-too
Too-too-too
