Carried Away

Stare at the window All by myself Jaded and waiting for some kinda miracle, yeah Love doesn't live here And I've gotta love tears Sorry if I can't imagine that you care, oh Please I never saw it coming You wanna take me away So please Don't let it be for nothing before we get carried away, yeah Ain't my fault I'm guarded I'm good, I'll be okay Fronting, I don't wanna be loved anyway That's why I'll do as I say 'Cause I had a bad case Losing the game I never wanted to play, ooh Please I never saw it coming You wanna take me away So please Don't let it be for nothing before we get carried away Before we get carried away, yeah Before we cross the line, i-i-ine Don't wanna take my chances if-This ain't it, oh no If you're not sure, then let me go, woah ooh Please I never saw it coming You wanna take me away So please Don't let it be for nothing before we get carried away Before we get carried away, yeah
