

# Changes

H.E.R.

Lately, I been going through some changes  
Been running out of maybes  
Boy, I know you're losing patience  
Losing patience with me

Sometimes I get fed up with all the games  
Sometimes you all just act the same  
Maybe I'm the one to blame  
That's just how the game goes  
When you're feeling alone  
Everybody got somebody that they mess with on the low  
Now I just want you to save me  
I just want you to save me

We got options  
But I wanna let you know that I decided  
I finally realized that  
All I want is you  
You, you, you  
You, you  
All I want is you  
You, you, you  
You, you

I ain't like all them other girls  
You can't treat me like them other girls no more  
(no mooore)  
You see me like another girl  
I've been waiting for you to make a move  
(ohhh, oh, oh)

You know that I'm fed up with all the games  
You all just act the same  
Maybe I'm the one to blame  
That's just how the game goes  
Just want someone to hold  
Everybody needs somebody to be there when they're alone  
I just want you to save me (yea)  
Just want you to save me

We got options  
But I wanna let you know that I decided  
I finally realized that  
All I want is you  
You, you, you  
You, you  
All I want is you  
You, you, you  
You, you

We got options  
But I wanna let you know that I decided  
I finally realized that  
All I want is you  
You, you, you  
You, you  
All I want is you

You, you, you  
You, you
