Putrid

Hackneyed

We are the face of carnage Hurdle for the poster nation Reason for the constipation of this frightened world The lights obscured The night brings fear Nightmares flames are coming near Fire is getting out of control

Keep sinking in the stench of fear Helpless in their search of freedom makes them hate I am the one I am the one to dominate I deny my teachings in my unexperienced You'll deny yours in your unexperienced youth Unexperienced youth

We are the face of carnage Voices for a generation Reason of the suffocation Of this blood drenched world Their lives ereased The days are unclear Nightmares rage is coming near People are getting out of control

Keep sinking in the stench of fear Helpless in their search of freedom makes them hate I am the one I am the one to dominate I deny my teachings in my unexperienced You'll deny yours Dreamings in your unexperienced youth

Like an empty grave Learned too late Burnt by hate I am the one to dominate When my memories erase
