Y2K

Now is the time to choose What have we got to lose except all we've worked for? RIGHT OUT THE DOOR All of our lives we slave Headfirst into the grave, without a second thought

IN Y2K Digital Disarray

Impending all time low Solutions come much too slow in our high tech age IT'S ALL THE RAGE Stopped in our global tracks By a stupid, shortsighted act Time will be standing still

IN Y2K Digital Disarray IN Y2K Two digits of dismay

Countdown to the year 2000 Seems like an insurmountable mountain

In time this may not be a big deal But right now fear of the future's all I feel
