

Long Distance Relationships

Hadise

I keep a picture of you everywhere I go
It's like my lucky charm everywhere I go
When I can't reach you on my cellphone
When I'm feeling like I'm all alone

Day after day it's not easy
Day after day I keep busy

Long distance relationships
I'm a 1000 miles away from my baby's cheeks
And I miss you like crazy
I miss you like crazy
Got to hear your voice before I got to sleep
I want to hear you talk, want to hear you breath
I miss you like crazy
I miss you like crazy

If I could bridge the gab everywhere I go
If you'd be there with me everywhere I go
When I leave you my heart goes numb
When you didn't call my mind is gone

Day after day it's not easy
Day after day I keep busy

Long distance relationships
I'm a 1000 miles away from my baby's cheeks
And I miss you like crazy
I miss you like crazy
Got to hear your voice before I got to sleep
I want to hear you talk, want to hear you breath
I miss you like crazy
I miss you like crazy
