

Momma's Boy

Hadise

Ya momma ain't gonna put me down, boy
Ya momma ain't gonna put me down, boy
Ya momma ain't gonna put me down, boy
'Cause I ain't livin' like this

I hate it every time when you're losin' your cool
Ya momma calls and you be actin' up like a fool
You know how she's been working hard to break us up
Spreading all them lies, it's all too much

When she's crying wolf and you be lickin' all the wounds
And what can I say? Can I say?

'Cause you are a momma's boy, momma's boy
Am I your one or two?
Momma's boy, momma's boy
I think I'm done with you

No way I need a momma's boy
Ya momma ain't gonna put me down, boy

I hate it every time we go visit their place
She be talkin' about his ex, can't take it no more
Ain't got a clue what she got against me
You better take my side, got my foot in the door

Can't you cut these apron strings?
You better ask your mom for a diaper change

'Cause you are a momma's boy, momma's boy
Am I your one or two?
Momma's boy, momma's boy
I think I'm done with you

Don't lay it on me like a doormat
No woman's gonna fall for that
No way I need a momma's boy
Ya momma ain't gonna put me down, boy

Ya momma ain't gonna put me down, boy
Ya momma ain't gonna put me down, boy
Ya momma ain't gonna put me down, boy
'Cause I ain't livin' like this

This is way too much, I'm walking out the door
Ya mom ain't gonna put me down, I just want take it no more
This is way too much
This is way too much, I'm walking out the door

Momma's boy, momma's boy
Am I your one or two?
Momma's boy, momma's boy
I think I'm done with you

Don't lay it on me like a doormat
No woman's gonna fall for that
No way I need a momma's boy

Don't need a momma's boy, no no no

Momma's boy, momma's boy
Am I your one or two?
Momma's boy, momma's boy
I think I'm done with you

No way I need a momma's boy
Don't need a momma's boy

Ya momma ain't gonna put me down, boy
Ya momma ain't gonna put me down, boy (no way)
Ya momma ain't gonna put me down, boy
Ya momma ain't gonna put me down, boy

Ya momma ain't gonna put me down, boy
Ya momma ain't gonna put me down, boy
Ya momma ain't gonna put me down, boy
Ya momma ain't gonna put me down, boy
