

# Something Very Bad

Hadouken!

I don't know why, I, I, I don't know why.  
I don't know why, I, I, I don't know why.

I know I'm not making the best of this.  
I don't really care, you can call me a pessimist.  
I'm paranoid, but I don't know why.  
I think I might crack from the stress of this.

And the people judge how I act,  
Telling me I'm a hypochondriac, but  
Feels like it's a normal disease, and  
I don't care, I'mma turn the mic up, please.

Turn the television off,  
Turn the television off,  
I'm talking to you.  
I-I'm talking to you.  
Turn the television off,  
Now let me get through.

Turn-turn it-it off-off.  
Turn the television off,  
I'm talking to you.  
I-I'm talking to you.  
Turn the television off,  
Now let me get through.

I don't know why, (I said I don't know why) I, I, I don't know why.  
I don't know why, (I feel that something really bad is gonna happen) I, I, I  
don't know why  
I don't know why, (I said I don't know why) I, I, I don't know why.  
I don't know why, don't know why (I feel that something really bad - bad)

No house, no job, no car, no girlfriend, no music, no life,  
No house, no job, no car, no girlfriend, no music, no what?  
No house, no job, no car, no girlfriend, no music, no life.  
No house, no job, no car, no girlfriend, no music, no what?

I have to feel last night, I have to feel last night, (I, I, I don't know wh  
y.)  
I have to feel last night, I don't know how, I don't know why.

I don't know why, (I said I don't know why) I, I, I don't know why.  
I don't know why, (I feel that something really bad is gonna happen)  
I, I, I don't know why.  
I don't know why, (I said I don't know why.) I, I, I don't know why.  
I don't know why, (I feel that something really bad is gonna happen.) I, I,  
I don't know why.

Something really bad is going to happen.

No house, no job, no car, no girlfriend, no music, no life.  
No house, no job, no car, no girlfriend, no music, no what?  
No house, no job, no car, no girlfriend, no music, no life.  
No house, no job, no car, no girlfriend, no music, no what?

I don't know why, I, I, I don't know why.

I don't know why, I, I, I don't know why.  
I don't know why, I, I, I don't know why.  
I don't know why, I, I, I don't know why.
