

Turn the Lights Out

Hadouken!

(Turn the lights out)

Turn the lights out, turn the lights out, turn the
lights out, turn the, turn the
Turn the lights out, turn the lights out, turn the
lights lights out

Make way for the ultraviolet teenage riot, don't try it
You can't stop this, stop this, you can't stop this,
stop this
You see I'm lit like a molotov, get out my way when the
riot kicks off
You can't stop this, stop this, you can't stop this,
stop this

Get ready for the rough and tumble, if you wanna be
starting something
You aint seen nothing yet, no you aint seen nothing
Push your way to the pit, stand tall raise your hands,
if you wanna be starting something
You aint seen nothing yet, no you aint seen nothing

Turn the lights out, turn the lights out, turn the
lights out

Make way for the bass, we fracture ribs and the dim
when the sun comes in
Go, go go go go go go go
Make way for the drums, we pillar these beats so hard
like concrete sheets
Go, go go go go

We hit the fuse and we're ready to blow
I don't care where we are, I don't care where we go
You better run from cover where the filaments go
I don't care where we are, I don't care where we go

This is your last chance boy, this is your last chance
This is your last chance, your last chance
This is your last chance, your last chance
This is your last chance, your last chance
This is your last chance, your last chance

Make way for the cardinal sin, when the boys come out
when the freaks come in
Go, go go go go go go go
Make way for the hover show, if you wanna bring it then
we'll come a loco
Go, go go go go go go go

We hit the fuse and we're ready to blow
I don't care where we are, I don't care where we go
You better run from cover where the filaments go
I don't care where we are, I don't care where we go

I don't care where we go
I don't care where we go

Turn the lights out
Turn the lights out
Turn the lights out
Turn the turn the
Turn the lights out
Turn the lights out
Turn the lights out
