

Days Are Gone

HAIM

F **Am**
1. And I got back up when I lost control
Dm
over it all, over it all
F **Am**
And I knew that I couldn't take no more
Dm
'Cause I want it all, I want it all
F
All the times I've said it
Am **Dm**
All the times I've said it before
Those days are gone
F **Am**
'Cause you didn't know how and I know that now
Dm
I want it all, I want it all

Gm **Dm**
R: Felt like I was walking on a tight rope
Am **Gm**
Those days are gone, those days are gone
Dm
Sometimes I wish I didn't miss you at all
Am
Those days are gone
Gm **Dm**
Holding on, holding on, holding on
Am
Those days are gone
Gm **Dm**
And now I'm waiting for the day to dawn
Am
Those days are gone

F - **Am** - **Dm**
F - **Am** - **Dm**

2. I remember when you found it hard to give
But I gave it all, I gave you my all
You only took one side when all my hopes ran dry
Those dreams are gone, gone all along
All the times I said it
All the times I said it before
I'm moving on
You can have my past, I'll never get that back
I'm moving on, 'cause those days are gone

R: Felt like I was walking on a tight rope...

B
Days are gone, days are gone
Gm
Days are gone, days are gone
Dm
All my love that I can't hide
Am

All my love now you can't find it (repeat x4)
