Am

Am 1. And I got back up when I lost control over it all, over it all And I knew that I couldn't take no more Dm 'Cause I want it all, I want it all All the times I've said it All the times I've said it before Those days are gone 'Cause you didn't know how and I know that now I want it all, I want it all R: Felt like I was walking on a tight rope Am Those days are gone, those days are gone Sometimes I wish I didn't miss you at all Those days are gone Holding on, holding on, holding on Those days are gone And now I'm waiting for the day to dawn Am Those days are gone F - Am - Dm F - Am - Dm 2. I remember when you found it hard to give But I gave it all, I gave you my all You only took one side when all my hopes ran dry Those dreams are gone, gone all along All the times I said it All the times I said it before I'm moving on You can have my past, I'll never get that back I'm moving on, 'cause those days are gone R: Felt like I was walking on a tight rope... Days are gone, days are gone Days are gone, days are gone All my love that I can't hide

All my love now you can't find it (repeat x4)
