

That's What I Get For Losin' You

Hal Ketchum

Ain't got no place that I call home
I'm just a drifter with a razor and comb
Every night another cheap hotel
Guess you could say I ain't doing too well

That's what I get, that's what I get
That's what I get for losin' you
That's what I get, that's what I get
That's what I get for losin' you

Somebody stole my watch and chain
Didn't notice, wasn't feeling no pain
All I got left is a picture of you

It's kinda faded and torn in two

That's what I get, that's what I get
That's what I get for losin' you
That's what I get, that's what I get
That's what I get for losin' you

Love is foolish and love ain't fair
When you need it it's never there
If you think love is so sweet and kind
Come and see me at closin' time

How did I get here? I don't know
I had it all till I let you go
I know love will never be the same
Got nobody but myself to blame

That's what I get, that's what I get
That's what I get for losin' you
That's what I get, that's what I get
That's what I get for losin' you
