

Dreamcatcher

Hale

Broken bones, know that at heart [?]
Putting it back together, line me up with coal
We run, we hide as we sail into the open sea
You take flight into the sky as you lay me baby

The sun is creeping in, it's blinding our eyes
Your head is on my shoulder, so serenely [?]
I paint the perfect picture, it pours like [?]

No questions, no answers
Hear the exception to you
I wanted you, I had you
Now you're gone, ooh...
I wanted you, I had you
Now you're gone

How nice, we're thrown in solid [?]
Didn't capture my demon [?]

I am moving out while I'm sleeping in
[?] grace within
Perfect thing, you saw what you [?]
On TVs and magazine, midnight lovers fade
The words go far from me [?]
I've always been afraid of heights
But I didn't [?]
I took the perfect picture, it pulls [?]

Questions, no answers
And the exception to the rule

I wanted you, I had you now you're gone
I wanted you, I had you now you're gone

How nice, we're thrown in solid [?]
Didn't capture my demon [?]
